

Business Information - First Point of Call

The business.govt website is part an information programme funded by New Zealand Trade and Enterprise to provide a **FREE business information service**.

We can put you in touch with:

- Government Business programmes and people who can help
- Training programmes to help grow your business
- Business mentors and business support programmes
- Organisations with specialist information, for example about exporting

For a face to face meeting please contact NZ Chambers of Commerce Northland 09 4384771 or email info@northchamber.co.nz we are happy to sit down and have a chat with anyone looking at setting up a business or just starting out. We are also part of the Regional Business Partnership with Northland INC which provides a business assessment for those businesses looking to grow and export.
