	A/P: Janette to arrange Board badges				
	2. To help with recruiting members, awards entrants and mentors – these all contribute to chamber revenue. Tony gave an overview of Business Mentors New Zealand				
	A/P: Board to supply the name and details for anyone who would be suitable as a mentor A/P: Board to talk to businesses – Are they a member? If not advise that there are huge benefits of Chamber membership and refer them to Shelley A/P: Board to let Shelley know of anyone they deal with who would benefit from entering the Business Excellence Awards as a				
	business development tool – we need to have 40-45 unique businesses enter each year				
	3. To provide a mandate – input from Board for Advocacy				
	Ease of Business (sub group of Chamber Board) – has been ongoing for 2.5 years				
	Tony explained the concept to the new Board members. Chamber has worked with NRC and WDC who have updated their processes on this topic				
	Follow up meeting to take place with Northport and Marsden Maritime Holdings following their BA5 event, to discuss how the Chamber can help attract business relocations.
