

NorthChamber and the Employers and Manufacturers Association (EMA) Partnership Benefits

Access to Resource Library

NorthChamber members can access the EMA resource library for free or at preferred pricing making access to more than 250 resources covering an extensive range of policies related to the workplace, from fixed term employment to illegal file sharing. Their People Experience guides span Employment Relations, Human Resources and People Experience touching on everything from talent acquisition to abandonment of employment and workstation set up.

Access to Learning

NorthChamber members have access to preferred pricing on EMA Learning. The key areas in which EMA Learning specialises include Leadership, Employment Relations and Health, Safety and Wellbeing. There is a range of learning in other portfolios, too. An outline of courses can be found [here](#).

Strengthening Business Advocacy for Northland

Partnering together, NorthChamber and EMA can amplify the voice of Northland businesses. EMA advocacy specialists engage with the business community and liaise directly with Government and key officials on policy and legislation that impacts business.

Invitation to EMA's Quarterly Economic Briefings

NorthChamber members will have access to the EMA economic briefings. (Summer, Winter & Spring) Member Briefings ensure the region stays informed about the economic outlook, changes in employment law and legislative changes affecting business. Member Briefings will be held in Dargaville, Kerikeri and Whangārei, an invitation will be sent out.

EMA on the Ground in Northland

The EMA have invested in having a physical presence in the region through the Northland Regional Manager for the EMA, Michael Turner. Michael is working alongside the NorthChamber team in the Orchard and is available to talk through these added benefits and how to access them.
