

Packard Motor Museum open days

When was the last time you visited the Packard Motor Museum at Maungatapere? If you haven't visited for a while, or haven't visited at all, now is a great time to do so.

Come and see what is new and be reminded of some good old originals in our collection; the 50+ Packards, as well as the 65 classic motorcycles, military vehicles, trucks, English vehicles and so much more.

Also, we have a couple of events coming up. From Tuesday 4th Jan we will be open five days a week, with Tuesdays being a \$15.00 special for Gold Card holders.

Then on Saturday the 15th Jan we will hold our own Art Deco Day. Dress in Art Deco and have a photo and ride in our 1938 Packard Convertible or our 1931 Packard Club Sedan. Keep that date set aside for a visit.
