

CREATING AN EVEN PLAYING FIELD

Guest Speaker - Katie Sadleir

World Rugby General Manager for Women's Rugby

Katie will be speaking on her highly valued contributions to participation, performance, leadership and investment in the global game of women's rugby driving transformational change.

Her involvement with the ChildFund Pass it Back programme (which equips children and young people to overcome challenges, inspire positive social change and 'pass it back' to their communities) demonstrates her investment in seeing communities empowered and transformed. Katie is looking forward to bringing her passion and knowledge to Whangārei.
